

Notice of Interest in Defined Benefit Pension Plan

This is to notify the Designated Agency Ethics Official (DAEO) that I have an ongoing arrangement with a former employer, Pepco Holdings, Inc., in the form of a defined benefit pension plan. Pepco Holdings, Inc. is regulated by the Commission and regularly participates in Commission proceedings. In accordance 18 U.S.C. 208, I will not participate in any particular matter in which Pepco Holdings, Inc. is a party if the matter could result in the dissolution of Pepco Holdings, Inc. or render it unable or unwilling to pay my defined benefit pension. I have given a copy of this notice to my supervisor.
