Carrie --

Thanks for reaching out. Unfortunately, I cannot do a call on this today. I could do something tomorrow afternoon, any time after 2 pm.

Hi Chandra,

I am wondering if you would have time this afternoon to have a conversation about our concerns with the FOIA bill and a suggested fix we could offer? Our Chief Counsel, Amy Friend, would be available as of 4pm or later today.

We would also like to loop in the FDIC, Federal Reserve and CFPB so they could jointly participate. Please let me know of your availability and I would be happy to try to set up a call today or tomorrow.

Many thanks,
Carrie

Chandra,

Right now the agencies are coalescing around 5:30 pm tomorrow, and the call would include Chief Counsels from the OCC, Fed, FDIC and CFPB. While I am still waiting for one final confirmation, I wanted to make sure that that time would work for you? Thanks for checking.

Sounds good. I also just had a time between 11 and 12 open up, if that works. Will this be the same group that we had on our conference in December, or different?

Chanda,

Thank you for correcting your name with me --I have no idea know why I decided to add an extra letter. But I’m good now!

Thank you for also your availability at 5:30 tomorrow afternoon. I have a conference line reserved for our use – please dial Non Responsive

As well, Milan Dalal with Sen. Warner’s office is intending to join.

Appreciate your assistance today, and we’ll talk tomorrow.

Best,
Carrie

Carrie – 5:30 tomorrow would be fine. Please note for purposes of the call that there is no “r” in my name. It’s just Chanda. Will you circulate a dial-in?
