Paula I probably won't get my resume emailed today but will do it tomorrow so you have it first thing Monday. If you need it quicker, Craig, Chris, or Lucy May have it as it was part of the response to the senate Commerce Committee

Hello Deb - Just checking in with you. I have to leave early today for a school event for my daughter, but if you need anything after 8pm jut give me a call on my cell [REDACTED]. Also, we are preparing the paperwork for your ID, etc and we need a copy of your resume (I know it sounds crazy!!) but the security office will need that information in order for you to receive and ID and credentials, etc. This can wait until Monday if you like

Thank you,

Paula

Thanks Paula. This should be no problem. I'm in Dallas finishing up the last of my consulting responsibilities so will review this more carefully on Thursday

Good Afternoon Deb:

Please see attached the appointment affidavit document that will need to be signed on Friday, April 25. I have filled out most of the document. The official swearing in will need to be witnessed by a notary public and the notary will need to complete the bottom of the form after you've been sworn in and you read the oath of office. If you have any questions on anything please let me know. Even after hours, just give me a call on my cell at [REDACTED]. I know it's very hectic for you now, so if you need to talk in the evening please feel free to call. I look forward to seeing you.

Regards,

Paula
