Subject: Staff announcement

Good evening Office of General Counsel –

I wanted to provide a notice of a change in the Air and Radiation Law Office. Beginning on Monday Gautam Srinivasan will serve as the Acting Associate General Counsel in the Air and Radiation Law Office. As you may be aware, Gautam joined the Office of General Counsel in 1999 in the Pesticides and Toxics Law Office and has served in a number of roles in the OGC over the years having served as the Deputy Associate General Counsel in the Air and Radiation Law Office for the previous two and a half years. I appreciate Gautam's willingness to take on this new challenge. I also appreciate Lorie Schmidt's service at EPA. She will be detailed to assist with special projects in the OGC.

Thank you.

Ryan Jackson
