Hey Jeremy,

Sorry. I was in a meeting for past hour or so.

Thank you for this.

P.S. When I said documentary evidence, I meant email...

Matthew,

In response to your question, the National Park Service, like other federal agencies, follows government-wide "flag action notifications" provided by the U.S. Department of Homeland Security National Protection and Program Directorate. These notifications direct actions to be taken with flags that fly at federal buildings and sites.

Hi Matthew,

Nice to e-meet you. Can you clarify what you mean by "documentary information"?
