Jeremy and I just spoke; we'll have no response until he gets direction from the Department.

Good morning,  
We've been getting calls all morning (as I'm sure you all have too). Hoping someone can give me a ring please to fill me on what NAMA is doing and how you all are handling these various press requests.

Also, just got a call about the flags at WAMO being at half staff but the WH flag no longer is.

Thanks,  
Jenny
