Based on information provided by Deputy Director Pendley, this attachment lists his former clients, former employers, financial interests, and other recusals. The inclusion of an individual or entity on this list does not necessarily mean that a determination has been made that Mr. Pendley is excluded from participating in all issues, actions, and decisions related to the individual or entity at the DOI.

Rather, the placement of an individual or entity on this list indicates that the screening protocol described in the accompanying memorandum must be followed, and, if necessary, additional advice from the Departmental Ethics Office (DEO) should be sought.
