Pete,
The statement will be delivered when asked by media. We're not putting it out otherwise.

All,
This is where we are at.

Region asked Greg this morning to review the statement:

Once, Region gets the ok from Greg. They will give it to Kathy Kupper. She said, "at WASO we will run it past solicitors, etc before it is approved to make sure the statement is OK. **The park should hold off any response until they hear back.**" (emphasis added).

Thanks, Brenda
