Subject: HOLD on media inquires re: springsteen
Date: Thursday, February 11, 2021 6:45:16 AM

DOI Comms has instructed us to hold on responding to any new or future media inquiries related to Springsteen at this time.

A briefing is in the works to get the political leadership up to speed. I'll touch base after that briefing.

In the meantime, the park should move forward with preparing the tracker we just discussed.

John- I also need, please, a list of the FOIAs and what specifically has been requested by each requestor.

Please confirm receipt.

Jenny Anzelmo-Sarles
Assistant Director for Communications (A)
Chief of Public Affairs and Chief Spokesperson
National Park Service
