(B) in the case of a covered settlement agreement, a term--

(i) that provides a remedy for a failure by the agency to comply with the terms of the covered settlement agreement other than the revival of the civil action resolved by the covered settlement agreement; and

(ii) that--

(I) interferes with the authority of an agency to revise, amend, or issue rules under the procedures set forth in chapter 5 of title 5, United States Code, or any other statute or Executive order prescribing rulemaking procedures for a rulemaking that is the subject of the covered settlement agreement;

(II) commits the agency to expend funds that have not been appropriated and that have not been budgeted for the regulatory action in question; or
